## COMPLETE AND PROGRESSIVE

The ABCD type of ConSurvey directory was originated by Robert Morton Baldwin and Heber Page. While many publishers have been content to rest on their laurels, issuing the same type directory used fifty years ago, the Mullin-Kille and Baldwin organizations have led the way to the production of an up-to-date ConSurvey directory to meet modern selling and credit conditions.

Newspapers, chambers of commerce, merchants' associations and individual business concerns are invited to write for particulars concerning this type directory service. In the future, as in the past, Mullin-Kille and Baldwin ConSurvey directories will stand for the highest ideals in public service.

POSTAL ZIP CODE — 27203  
TELEPHONE AREA CODE — 919

The information herein contained was taken by trained enumerators in a house-to-house canvass of the city and adjacent territory and checked with material supplied by employers. The publishers offer it as the most reliable information available but do not assume any responsibility for errors.

### FIVE DIVISIONS OF THE BOOK

The principal divisions of the Mullin-Kille Directory contain the following information:

1. THE PREFACE contains historical and civic information with photographs of general interest.
2. THE BUYERS' GUIDE and CLASSIFIED BUSINESS DIRECTORY SECTION contains display information concerning the leading business firms of the city, announcements of churches, clubs, lodges, associations and schools, and the names of all business firms, professional men and women and non-profit organizations, properly classified, with the names of distributors of national brands of merchandise.
3. THE NUMERICAL TELEPHONE DIRECTORY contains telephone numbers arranged in numerical sequence.
4. THE HOUSEHOLDERS' DIRECTORY AND STREET TELEPHONE GUIDE contains a complete directory of streets and avenues, properly located, gives the names of all householders arranged as they come upon the streets and avenues, indicates ownership of property, and gives the telephone number of each house.
5. THE RESIDENT DIRECTORY AND COSMOPOLITAN TELEPHONE DIRECTORY contains most of the data concerning the individual. The wife's name is given in parentheses, and the number of dependents under 18 is shown as well as the ownership of homes. This is followed by position, place of employment, home address and accessible telephone numbers.

# Explanation

All persons over 18 years of age living in the community are listed.

The wife's name is shown in parentheses after the husband's as follows: Smith Robt R (Mary L).

The number of children under eighteen years of age is shown after the wife's name as follows: Smith Robt R (Mary L) 3.

In the resident directory home ownership is designated by ® as follows: Smith Robt R (Mary L) 3 ®. Renters are shown by the omission of the ®.

In the householder's directory ownership is shown by the same designation as follows: 210 Main Smith R R ®.

In the case of a natural widow this fact is shown with the name of the deceased husband in parentheses, whenever possible, as follows: Smith Mary L (wid Robt R).

The occupation and place of employment are shown as follows: Smith Robt R (Mary L) clk Hub Clo Co.

The residence of each person is shown by "h" denoting householder or head of a family and by "r" denoting other persons in the home. Only one person in each home is listed with an "h". Therefore, a circular mailed to each householder marked "h" will reach every home in the city.

Married women engaged in some responsible occupation are listed individually in addition to their regular listing with the husband as follows: Smith Mary L (Mrs Robt R) bkpr Hub Clo Co r 210 Main.

The words street and avenue are understood.

Persons living outside the city limits and receiving their mail in the country are marked RD.

Telephone numbers are designated in the resident directory at the end of the line with the designation Δ as follows: Smith Robt R (Mary L) 3 ® clk Hub Clo Co h 210 Main Δ498.

In the householders' directory the telephone number of each house is given at the end of the line as follows: 210 Main Smith R R ®—Δ498. In this division of the book each street is listed alphabetically and each house on the street is listed according to number. All street intersections are shown at the proper places with the names of the cross street. In case there is no telephone shown the nearest telephone on the street may be found.

In the numerical telephone directory the telephone numbers are listed in numerical order.

In the business directory and buyers' guide the various business and professional firms are arranged according to their line of business and merchandise sold. Nationally advertised brands are designated with a ★. For example under the heading automobiles will be found the following classification: ★FORD—Jones Mtr Co 100 Elm. The buyers' guide carries the printed message of the city's leading business and professional firms.

This directory contains all the regular departments of the modern city directory and many features used by no other publisher. It shows the exact population of the city and environs at the present time.

# ASHEBORO, NORTH CAROLINA

*"Center of North Carolina"*

**"What Asheboro Makes — Makes Asheboro"**

Midway between the Atlantic beaches and the Great Smokies, in the heart of the agriculturally rich and industrially thriving Piedmont section of North Carolina, Asheboro is the county seat of 800-square mile Randolph County and is located very nearly in the geographical center of the state.

**AERIAL VIEW OF ASHEBORO**

---

COPYRIGHT 1969 BY ROBERT MORTON BALDWIN

---

It is about 180 miles east of Asheville, and is approximately the same distance northwest of Wilmington. It is 25 miles south of Greensboro and 50 miles north of Pinehurst, the famous winter resort. The elevation of the city is 860 feet above sea level. The heart of the business district is on the highest level between two extensive watersheds, giving the city adequate drainage and freedom from floods. Streams on the eastern side of the city flow into Deep River and thence into the Cape Fear, while drainage on the western side of the city is into the Uwharrie River and thence into the Yadkin.

Asheboro's mean temperature, according to complete weather records kept over a period of 30 years, is 60.5 degrees. Zero temperatures are exceedingly rare and 100 degree temperatures have been recorded only a few times by the Weather Bureau. Statistics over a long period of time give Asheboro a yearly average of 132 clear days, 115 partly cloudy and 118 cloudy days.

Asheboro is located amidst a range of long-eroded and timber covered mountains, the Uwharrie Mountains, described by geologists as the weathered remnants of peaks which predated the Great Smokies and in bygone ages rivalled the Alps in their grandeur. Although the small mountains surrounding Asheboro today are only several hundred feet high, they unfold a variety of beautiful scenery from every highway in the county.

### RETAIL TRADE AREA

More than 100,000 persons reside in Asheboro's Retail Trade Area, which covers a twenty-mile area on the north and twenty-five and thirty-mile area on the south and east.

**ASHEBORO MUNICIPAL AIRPORT**

## ASHEBORO CHAMBER OF COMMERCE

**A. J. WOODY**  
President

**BOB E. CROFT**  
Executive Vice President

**ASHEBORO MUNICIPAL GOLF COURSE**

## POPULATION — 1970 ESTIMATES

Asheboro (City Limits) .....	19,000
Metropolitan Area (Asheboro Township) .....	28,000
Trading Area .....	100,000
Randolph County (1966 U.S. Census) .....	75,500

## ASSESSED VALUATION

Assessed Value of property (Asheboro) .....	\$ 76,537,133
Assessed Value of property (Randolph County) .....	\$250,314,973
Tax Rates (Asheboro) .....	\$1.30
Tax Rates (Asheboro Township) (Special School Tax) .....	\$1.45
Tax Rates (Randolph County) .....	\$1.10
Percentage assessed value of property .....	50%

## RECREATION AND SPORTS

Asheboro is an established center in the state and southeast for activities in several sports.

A public nine hole golf course is popular among residents of Asheboro and the surrounding communities; also, Uwharrie Recreation Center with its 18-hole golf course, horseback riding and swimming pool.

The Asheboro Country Club maintains a handsome clubhouse adjacent to a beautiful lake near U.S. Highway No. 64 a few miles west of the city. The first nine holes of a projected 18-hole golf course have been completed.

**ASHEBORO COUNTRY CLUB**  
*"Located In Beautiful Asheboro, North Carolina"*

McCrary Athletic Field and Asheboro High School Athletic Field, two of the best lighted athletic fields in the state, are used for intensive baseball and football schedules. The city-sponsored softball league operates a summer schedule of night games under the lights at both the Memorial Park and High School diamonds. Central Elementary School also has a well lighted athletic field.

No finer building and facilities for industrial and community recreation can be found in the South than are afforded by the new building of the Acme-McCrary Employees Recreation Association. The splendid brick structure includes a huge gymnasium equipped to seat 1,000 spectators, a glass-enclosed swimming pool for year round use, bowling alleys, a cafeteria, a reading room, lounges, soda fountain and other accommodations.

A popular feature of Asheboro's recreation program is the \$150,000 Asheboro Memorial Foundation, a private organization. The first facility to be developed on the Foundation's 12-acre tract in the city was a modern swimming pool and a children's wading pool. Six lighted tennis courts have been added and a lighted baseball field, also "Little League Baseball Park" and the new Park Street Park.

Archery is a popular sport in Asheboro and a range has been provided.

Bowling is also enjoyed by many on the lanes in a completely modern building. Both the American Legion and Veterans of Foreign Wars have their own buildings which are used in connection with civic activities.

**ACME McCRARY RECREATION BUILDING**  
**ASHEBORO, NORTH CAROLINA**

## ASHEBORO COUNTRY CLUB

Asheboro's civic spirit is evident in its wide variety of clubs and fraternal organizations, all of which furnish opportunity for social and fraternal contacts which add to the joy of living in Asheboro.

Asheboro's accredited public school system offers a broad and varied curriculum to meet the educational needs of the citizens of the community, and its physical facilities are among the best in the area.

The instructional program covers grades one through twelve plus offerings for handicapped and retarded children. It also includes a small number of kindergarten classes for children who are living in a culturally deprived situation and there are various short-term adult level educational offerings.

Asheboro's High School building, built and equipped at a cost exceeding \$1,250,000 including funds from a bond issue voted by the citizens, stands as a model among structures of its type in the nation. A companion building, the Asheboro Junior High School, was completed in 1962 at a cost of \$850,000 and put into use the same year. A new administrative office building was completed in 1964 and a second junior high school is under construction now (April 1967) and will be put into operation in the fall of 1968.

Asheboro has seven elementary schools, all of which have been considerably enlarged and re-equipped within the past few years. Included in these latter schools are 88 classrooms, with associated facilities, which have been constructed since 1954.

The Asheboro City Schools have been recognized by full accreditation of curriculum, instructional program and facilities by both the North Carolina Department of Public Instruction and the Southern Association of Colleges and Schools.

## HEALTH ACTIVITIES

Towering above green terraces and set amid flower gardens and trees in the heart of Asheboro, North Carolina, is Randolph Hospital, a 165-bed and 23-bassinets institution serving the more than 75,000 people of Randolph County.

A unique feature of the hospital is a solarium of violet-ray glass on top of the building, indirectly lighted through glass brick panels and furnished in resort type furniture—the only hospital solarium of its type in North Carolina.

Randolph Hospital, Incorporated, is a community non-stock and non-profit institution incorporated April 28, 1931 by a special act of the North Carolina General Assembly. Through donations of public spirited citizens of Randolph County, a substantial grant from the Duke Endowment and a bond issue by the City of Asheboro, sufficient funds were raised to construct a 50-bed hospital and nurses home which was opened to the public July 9, 1932. In 1946 a wing was added to the hospital increasing the bed capacity. In May, 1951, the McCrary Memorial wing was completed which provided administrative office space, a lobby, several additional patient beds, an obstetrical delivery suite and newborn nursery giving the hospital a 102-bed capacity.

A major building program has just been completed which provided 65 additional beds, additional space and new equipment in the emergency room, X-Ray and laboratory facilities. A completely new Physiotherapy Department, Surgical Suite, Dietary Department and Pediatric Department was included. Also a new feature in Randolph Hospital is the modern concept of hospital service called Progressive Patient Care which includes Intensive Care Unit, Intermediate Care Unit and a Self Care Unit. This construction program gives the hospital its present bed capacity.

Facilities and services available at Randolph Hospital are Blood Bank, Clinical Laboratory, Pathological Laboratory (with Pathologist), Electrocardiography, Pharmacy (with Registered Pharmacist), Physical Therapy Department, Premature Nursery, Intensive Care Unit, Emergency Department, Operating Rooms, Obstetrical Delivery Room, Post Operative Recovery Room, X-Ray Diagnostic, X-Ray Therapeutic, Radio-active Isotope facilities, organized hospital auxiliaries, Chapel, Radium Therapy and Self Care Unit.

Adjacent to the hospital and constructed of the same cream brick and white limestone is a modern nurses' home.

Auxiliary services at Randolph Hospital include a crippled children's clinic, held one day each month and supervised by an orthopedic surgeon and sponsored by the Asheboro Rotary Club. This service provides free care for crippled children in the county. A Cancer Clinic which is sponsored by the Asheboro Kiwanis Club is conducted twice monthly. The Hospital Blood Bank is supplied by the American Red Cross Blood Program through the Red Cross Blood Center in Charlotte. A corps of more than 200 Red Cross Grey Ladies recruited from Asheboro and Randolph County come to the hospital each afternoon and evening to receive visitors, distribute mail, care for flowers and perform many other essential duties.

A fifty-member Ladies Auxiliary "Pink Ladies" work in the hospital each day to serve as official hostess for the hospital, operate a hospitality shop and assist the nursing staff in their daily duties. The Ministerial Association of Asheboro provide a Hospital Chaplain for duty around the clock seven days per week.

Randolph Hospital is fully accredited by the Joint Commission on Accreditation of Hospitals and is a member of the American Hospital Association and the North Carolina Hospital Association.

Randolph Hospital affiliates with the Randolph Industrial Education Center in providing the clinical training and experience for a formal Licensed Practical Nurse Training Program.

The Randolph Hospital Medical Staff includes 30 doctors on the active staff, five doctors on the county staff and consultants from medical schools and adjacent schools who are recognized as specialists in their fields.

## PUBLIC UTILITIES

Electric service is supplied to Asheboro and adjacent rural areas by Carolina Power & Light Company, which has vastly expanded its capacity and operating facilities in the Asheboro area during recent years. There has never been a power shortage in Asheboro, which is served from the main transmission system of Carolina Power & Light Company, thereby making available an ample supply of power for farm, industrial and commercial uses. Randolph Electric Membership Corporation has its home office in Asheboro. It serves various rural areas of Randolph County, plus additional territory in Alamance, Chatham, Moore and Montgomery Counties.

Asheboro's water supply is drawn from three surface lakes, the largest of which is on Back Creek about four miles west of here, where 1,433,000,000 gallons of water are impounded. This provides an adequate supply of raw water to serve an estimated population of 80,000. Asheboro's water is treated in a purification plant of modern design and under the supervision of expert technicians. The plant has recently been enlarged to double its present capacity. Present filter capacity 3,000,000 gallons. Peak consumption 2,225,000 gallons. Average 1,500,000 gallons.

A greatly expanded sewer system is completed. Sewage treating capacity 8,000,000 gallons per day.

**FIRST METHODIST CHURCH**  
Asheboro, N.C.

Piedmont Natural Gas Company currently serving some 25 cities and towns in Piedmont Carolina extended its facilities to Asheboro and completed laying of gas lines for the sale and distribution of natural gas in the city during the summer of 1959. The gas is furnished by the Transcontinental Gas Pipe Corporation in sufficient quantities to supply Asheboro's civilian, commercial and industrial needs.

Randolph Telephone Membership Corporation started operation in 1956 and serves residents in the rural areas of Randolph, Moore and Chatham Counties.

Telephone service is supplied by Central Telephone Company, which serves Asheboro and a number of other communities and rural areas in Randolph County. In keeping with other public utilities, this company has provided adequate facilities for considerable future growth.

Western Union's worldwide telegraph facilities are available through the local office in Asheboro.

Asheboro is served by the Carolina & North Western Railroad which connects with the Southern Railways main line in High Point. Service is limited to freight only and is excellent.

A comprehensive schedule of bus transportation and motor transit freight lines to the north, south, east and west is provided daily to Asheboro by several interstate and local bus lines. Five U.S. and State highways converge in Asheboro, furnishing convenient routes in all directions. They include U.S. 220, U.S. 64, U.S. 311, N.C. 49 and N.C. 42.

## RANDOLPH COUNTY HISTORICAL NOTES

Sandy Creek Baptist Church—Mother of Southern Baptist Churches—founded 1755 by Rev. Shubal Stearns of Boston, Massachusetts. Shubal Stearns died November 20, 1771 and is buried near the meeting house. His grave is plainly marked.

Cox Mill was headquarters of Colonel David Fanning, noted leader of the North Carolina Tories 1781-82. The mill stood near the site of present Beans Mill, State Historical marker located in Ramseur.

Franklinville—Colonel David Fanning's men camped in this section during the Revolutionary War. Andrew Hunter, an ardent advocate of liberty, lived near and was marked by Fanning as a victim of murder. From the bridge may be seen the historic Faith Rock, over which Hunter plunged 50 feet into the river and escaped Fanning's men on Colonel Fanning's own fine horse "Bay Doe".

Cedar Falls—Site of the first cotton mill—established in Randolph County 1839. Much of the original mill remains. In 1775 the lands of the village and on both sides of the river were granted to Herman Husbands by the Earl of Granville. The Baptist Church organized in 1844 has been in constant use—113 years. In the church yard is the grave of Colonel Benjamin Elliott, Colonel of the Militia 1800, Clerk of Pleas 1779, and Quarter Sessions and Member of the Senate 1831-33.

In Cedar Grove Township is located Balfour Graveyard in which rests the body of Colonel Andrew Balfour, an ardent advocate of liberty. The name of Colonel Balfour commemorated in the Balfour Masonic Lodge No. 188 of Asheboro.

Hoover Graveyard—Located in the Western Uwharrie Hills contains the remains of President Herbert Hoover's ancestors—"Andrew Hoover born in Germany 1723—came to America 1738—settled in Pennsylvania 1744—removed to North Carolina 1746—died 1794". There are 23 graves of Hoovers in this plot near Victor Parker's Mill.

## NATIONAL GUARD ARMORY

### HISTORICAL MARKERS

Tablet on the Andrew Hunter Bridge at Franklinville—"To the Revolutionary Patriots of Randolph County by Guilford Battle Chapter Daughters American Revolution"—Dedicated 1908.

Confederate Monument erected 1911 by the Randolph County Chapter United Daughters of Confederacy. "In perpetual memory of the Confederate Soldiers of Randolph County", stands in front of the Randolph County Courthouse.

A Bronze Tablet placed by the Asheboro Rotary Club in memory of Randolph County patriots who lost their lives in World War II is located in the main corridor of Randolph County Courthouse.

Entrance to Bell and Welborn Graveyard where are buried Revolutionary Patriots of Randolph County, North Carolina. Earliest marked grave—1709, erected by Randolph County Historical Society—1953. Highway 220.

To Colonel Andrew Balfour of Revolutionary Memory. A native of Edinburgh, Scotland, murdered by a band of Tories in his Randolph County home, March 10, 1782. Erected by Colonel Andrew Balfour Chapter Daughters of American Revolution—1955. Graveyard in Cedar Grove Township.

The Uwharrie Mountain Range Information Marker on U.S. Highway No. 64 erected 1957 by North Carolina Travel Bureau.

Johnstonville—Site of Randolph County's first County Seat 1779-1793. Courthouse one-fourth mile west named for Governor Samuel Johnston. Erected October 1956 by Randolph County Historical Society. Located on Highway 311. Place now called Brown's Cross Roads.

## HISTORICAL

The legal existence of the Town of Asheboro began with the ratification on Christmas Day, 1796, of the original Act of Incorporation by the General Assembly of North Carolina. In that charter the name was spelled "Asheborough" which subsequently has been abbreviated to Asheboro. The location of the town was in a large undeveloped tract of land and was selected by reason of its being the center of Randolph County. Soon after its incorporation, the county seat was moved to this place named Asheborough in honor of Governor Samuel Ashe. The town received a second charter from the Legislature in 1845, and a third in 1883, which, subject to numerous amendments and additions, is now the existing charter. For nearly 100 years Asheboro continued its existence as a county seat and trade center for the surrounding rural community, but its population had not reached 300 until the first railroad was completed in 1889, connecting Asheboro with High Point. Immediately thereafter a number of lumber plants and other small business ventures were launched in the community, and Asheboro began to grow. The census of 1890 indicated a population of 510.

During the next decade considerable growth took place. The lumber business developed into a flourishing industry through the cutting and marketing of a large volume of pine and hardwood timber in this vicinity. The local school was expanded from a one teacher affair to what became known as the Asheboro Grade School. The Bank of Randolph (now Wachovia Bank & Trust Company) was organized, this being the first banking institution in the county. A second railroad was built in from the south which became a part of the Norfolk-Southern Railway System but was abandoned in 1952.

In 1900 the official census showed that the population of Asheboro had increased to 992, having almost doubled during the ten-year period. It was at about this time that the People's Savings & Loan Association was organized, thereby making available a service which has had considerable influence upon the growth and progress of the community. The Asheboro Electric Company was organized in 1905. Asheboro's first electric light and power utility. In 1907 the First National Bank was chartered and, is still "doing business at the old stand." The textile industry, started in 1908, has become the leading industry in the community. A municipal water and sewer system was installed in 1909-10, which has been enlarged and revamped from time to time to keep pace with the growth of the city.

By 1910, Asheboro had begun to form the habit of doubling its population each decade as the census of that year showed 1,865 people living within the incorporated area. Asheboro had begun to forge ahead, and in 1917 the Randolph Savings & Loan Association was organized. In 1910-1920 approximately seven miles of streets were paved. Subsequently additional paving of streets and sidewalks took place as rapidly as required.

In 1920, census having shown a count of only 2,529, the people of Asheboro began to lay plans that resulted in the greatest expansion of any similar period up to that time. Several new industries were organized and existing ones enlarged. In 1924 the Carolina Power & Light Company purchased the local electric plant and extended its high tension lines to Asheboro, thereby tying in the local distribution system with the inter-connected high voltage network serving the Southeastern States. By 1930, the population had increased to 5,021 and even though the depression came, Asheboro moved steadily ahead.

In 1940, the census credited Asheboro with 6,981 people, but Asheboro was no longer confined within the city limits. Suburban had begun to develop and the principal residential growth had taken place in this "fringe" area. This trend became more pronounced, as new industries, commercial enterprises and residences to house a rapidly growing population sprang up along the streets and highways leading out of Asheboro.

**OPENING DAY CEREMONIES**  
**Swimming Pool**  
**ASHEBORO MUNICIPAL PARK, INC.**

In the decade from 1941 to 1951, Asheboro experienced its greatest growth for any like period in its history. New industries located here and manufacturing processes became more diversified. Electric blankets by General Electric; flashlight batteries by National Carbon; fabrics by Klopman woven from synthetic yarns; overalls by Blue Gem; T-shirts and shorts by S'edman; ladies fine underwear by Pinehurst Textiles; all came from new plants built since the close of World War II. Previously established industries expanded plants and processes during this period. Service facilities—water, electric and telephone—kept pace with community growth and provided ample facilities for the future. Carolina Power & Light Company built a new 110 KV line into Asheboro, extended its 66KJ lines to Liberty, installed a new substation at Asheboro with a total capacity of 30,000 KVA, increased and enlarged its feeders and installed automatic equipment sufficient to provide an ample and dependable supply of power for Asheboro and surrounding suburban and rural areas. Additional equipment is being installed as needed.

Central Telephone Company moved into its own building, enlarged and modernized its facilities through installation of dial system of operation, underground cable in main business section of the city, increased the number of toll circuits from neighboring cities and has extended its lines and services into neighboring areas.

Forward looking city officials have seen to it that an ample supply of water is available for Asheboro now, and for "Greater Asheboro," as it grows and develops. Provision has been made for sufficient raw water supply to serve an ultimate population of approximately 80,000 through construction of a huge impounding reservoir on Back Creek west of Asheboro in 1946. Water and sewer lines have been extended and miles of additional streets and sidewalks have been paved.

In 1945 property in the city and immediate suburbs came under the authority of the newly appointed Planning and Zoning Commission; Radio Station WGWR was erected in 1947, installing FM equipment a short time later; Asheboro Memorial Foundation was incorporated in 1945; about 12 acres of land acquired, and a fine swimming pool was installed and opened to public use in June, 1948. During the period numerous agricultural activities were promoted, among which the "100 Bushel Corn Club" and Dairying projects, including the "Junior Dairy Cattle Show," were outstanding; a program to provide adequate schools has been emphasized during these years—new schools include Asheboro High School with Auditorium, Physical Education wing, Athletic field, etc., Asheboro Junior High School, Guy B. Teachey School, Lindley Park School, Charles W. McCrary School. New additions have been made to Park Street School, Fayetteville Street School, Balfour School, and Central Elementary School. The new Industrial Education Center offers an excellent adult education program.

During the first 100 years of its existence, the town was largely a trading center for the area, having no industries worth mentioning. The lumber industry predominated during the next quarter century, while now the textile industry surpassed all others in size and number of people employed. Present trends indicate further diversification of industry, which should contribute to the substantial character of growth in this area of community development.

Commercial enterprises, supported by a well balanced trade from rural and industrial areas, have kept pace with the progress of the city. Numerous new stores and service establishments have located along the streets of Asheboro, while the old established places have undergone renovation and remodeling to harmonize with the appearance of the new.

## GOVERNMENT

Asheboro's non-partisan businesslike city government is directed by a Mayor and five City Commissioners elected every two years. Their policies are executed by a City Manager. Citizens are proud of their comparatively low tax rate of \$1.30 and the progressiveness and financial soundness of their municipal administration.

## MANUFACTURING CENTER

A busy industrial center whose approximate annual payroll has passed the twenty-two and a half million dollar mark. Asheboro has a wide diversity of industries which include some of the largest hosiery mills and finishing plants in the state (men and women), plants manufacturing furniture for most every room in the home and upholstery plants. Other huge industrial plants include rayon, nylon and orlon weaving, as well as nylon throwing mills; one of the nation's leading flashlight battery plants, and the largest manufacturer of automatic electric blankets and electric heating pads, vaporizers and baby food warmers, knitwear mills, a large shoe manufacturing plant, lumber plants, box manufacturers, an overall manufacturing plant, freezer locker, abattoir, sausage, and other meat processing plants. Other industries include the making of playsuits, lingerie, neckties, T-Shirts, men's underwear, concrete block products, brooms, mattresses, ice cream and mill processing, venetian blinds, braid and tape, plastic laminating, Trico products, wooden supplies for weaving machines, dye plants, surgical hosiery, sweaters, concrete silos, and several outstanding printing plants.

## FINANCIAL FACILITIES

Asheboro's two well established banks, the Bank of Randolph and the First National Bank, together with the Randolph Savings and Loan Association and Peoples Savings and Loan Association, provide the capital to finance much of Asheboro's steady construction activity.

## PUBLIC SERVICE

Newspaper: Courier Tribune—semi-weekly and Randolph Guide—weekly.

Radio Station: WGWR (AM-FM).

Power: Carolina Power & Light Company and Randolph Electric Membership Corporation.

## **ASHEBORO PUBLIC LIBRARY**

**ASHEBORO, NORTH CAROLINA**

### **RANDOLPH PUBLIC LIBRARY**

With libraries in five towns and bookmobile service Randolph County's Public Library System is organized for service to residents of the county.

New buildings are located in Asheboro (1964), Ramseur (1961) and Liberty (1966) and remodeled facilities are available in Franklinville (1963) and Randleman (1965).

The services of the library have developed over the years through requests of citizens and plans of library boards and staffs. Circulation of books and other materials, reference services, special programs for pre-school children, audio-visual services, conference rooms for community groups, art exhibits, musical programs, special classes, and other programs make the libraries community centers where people may find information in many forms and on many subjects.

Some of the library system's resources are: books, 62,325 volumes; 200 periodicals, 28 North Carolina publications, six newspapers, three county newspapers, 25,000 clippings and pamphlets, 1,450 recordings, 100 reproductions of paintings for loan, 18 microfilms, 250 filmstrips and 250 slides.

Through state-wide library projects the Library borrows 16mm. films, books, and language recordings for patrons from the State Library and other libraries in the state.

Use of the library is indicated in the circulation figures for 1965-66 of 188,000 volumes, 3,000 recordings, 900 filmstrips and slides, 125 16mm. films, in the reference service statistics of 20,000 questions answered and in the 268 bookings for the Asheboro and Ramseur meeting rooms. Approximately 17,000 persons are registered to use the library and an additional 1,000 pre-school children use the library without being registered.

Hours for the libraries vary. The Asheboro Library is open 63 hours a week: Monday, Friday and Saturday from 9:00 A.M. to 6:00 P.M., and Tuesday, Wednesday and Thursday from 9:00 A.M. to 9:00 P.M. The other town libraries are open afternoons, some mornings and on Thursday nights. Schedules are available from each library.

Each library is conveniently located in the community it serves. The libraries are open to all residents of the county. Information about the bookmobile service is available at the headquarters of the library system which is located in the Asheboro Public Library.

## RANDOLPH COUNTY SCHOOLS

The school population of Randolph County numbers approximately 11,300. There are 18 schools in the county. Some 553 professional people are employed to teach the youngsters a wide and extensive offering of courses.

In addition to the regular course offerings, there are 10 special classes for the educable mentally retarded; one class for trainable mentally retarded and two classes for the academically talented students.

The high schools, all accredited by the North Carolina Department of Public Instruction, offers from 25 courses in the smallest high school to 44 courses in the largest high school.

Each of the 18 schools has a full time principal and a full time librarian. Each of the nine schools has the services of a guidance counselor.

48.9% of the high school graduates from Randolph County go either to college or to a training institute for higher educational opportunities.

The per-pupil expenditure in Randolph County is approximately \$300. These funds come from local, state, and federal tax monies.

# LIBERTY, NORTH CAROLINA

•

Liberty was first chartered as a town in 1889, at which time a mayor and a five commissioner form of government was established, which still remains. Liberty is situated in the center of the progressive Piedmont area of North Carolina, on Highway 421, 22 miles south of Greensboro. Liberty is almost centrally located between scenic mountains of North Carolina and the North Carolina coast, which offers some of the nation's best fishing waters, ports, and recreation facilities obtainable. Liberty is also conveniently located to such resort areas as Pinehurst, Southern Pines, Hendersonville, Asheville, and the Outer Banks. Liberty enjoys a year-round average temperature of 66.7 degrees and has an average rainfall of 41.86 inches. Liberty is the home of over 12 manufacturing plants. Liberty's downtown area is served by a variety of aggressive merchants offering goods and services of all descriptions. Liberty is served with a modern theatre. A complete summer recreation program for all ages is provided, including baseball, softball, swimming, and scouting. Liberty is also conveniently located to swimming, boating, water skiing, hunting, and golfing facilities.

**UNITED STATES POST OFFICE**  
**LIBERTY, NORTH CAROLINA**

## HIGH SCHOOL ATHLETIC FIELD

### LIBERTY, NORTH CAROLINA

Aggressive Liberty is served by a Volunteer Fire Department, which also includes a Rescue Squad, garbage collection, a modern up-to-date sewage disposal plant, and a plentiful supply of good water, which comes from five deep wells. Liberty also is served by two modern schools with ample recreation facilities. Liberty is conveniently located to the Research Triangle and major colleges of North Carolina. Liberty is served by Trailways bus service and Southern Railway service; is also served by all major truck lines, and is located only 45 minutes away from the greater Greensboro-High Point Airport. Liberty is served by Randolph Memorial Hospital, Inc., Asheboro, which is one of the most modern up-to-date facilities of its type in North Carolina. Within 30 minutes' drive of Liberty, a complete 30-bed Civil Defense Emergency Hospital is ready to be set up in a few hours in case of emergency need. Liberty is served by 10 churches, practically all denominations.

Liberty is the home of a branch of the First Union National Bank, and the Liberty Savings and Loan Association.

Liberty is served by several radio stations, and TV located in the surrounding area.

**LIBERTY RESIDENTIAL SECTION**

**LIBERTY FIRE DEPARTMENT AND COURT HOUSE**

Randolph Telephone Company provides a modern "Touch Call" or push-button telephone service to this area. Liberty is on the same exchange as Greensboro, making possible toll free calls to Greensboro.

Liberty is served by one weekly newspaper.

Liberty has one of the newest, most modern, up-to-date libraries in Central North Carolina.

Piedmont Natural Gas Company, Inc., is in the process of constructing natural gas facilities for this area.

Liberty is served by a modern, up-to-date Police Department, with two-way radio which is directly connected with the Randolph County Sheriff's Department.

The Liberty Industrial Corporation, a nonprofit organization, was organized by a group of local merchants, professional men and industrialists. This Corporation has secured plant sites and raised approximately \$100,000.00 in local funds to help two plants locate in Liberty. These plants are Textured Fibres, Incorporated, a nylon twist

**LIBERTY SHOPPING CENTER**

## FIRST METHODIST CHURCH LIBERTY, NORTH CAROLINA

operation; the other is Beaman Corporation, manufacturers of components for prefabricated buildings and industrial and commercial lighting units. Liberty Industrial Corporation also helped raise funds to rebuild one chair company that had burned to the ground.

Liberty has twelve other well-diversified industries which have located here from time to time and have expanded rather rapidly. These industries produce the following items: ladies' hosiery, dining room furniture and chairs, school furniture, upholstered office furniture, living room furniture, veneer, brooms, lumber and building materials. Also, located in Liberty is one of the largest wholesale and retail florists in the state.

Liberty has an abundance of homesites, with three subdivisions under development. Homes are being built as fast as the demand requires.

# RAMSEUR, NORTH CAROLINA

Ramseur is located in Randolph County, North Carolina. Its elevation is 500 feet above mean sea level. Ramseur is located in the industrial Piedmont about 28 miles south of Greensboro, North Carolina. Industries include a dairy, and plants which manufacture furniture, brooms, hosiery, interlock knitting, synthetic yarns and weaving, lumber, feed, gloves and handkerchiefs. The town is situated in an excellent agricultural area with dairying, poultry and tobacco being the principal crops.

We have a new 500,000 gallon elevated storage tank and enlarging of our water filtering plant. This gives us 825,000 gallons of finished water storage with five fresh water pumps—three pumps which furnish water at 750 gallons per minute each, one pump at 360 gallons per minute, and one pump at 200 gallons per minute. Our waste stabilization lagoons were completed in 1962—one 10-acre pond and one 5-acre pond, the first sewer treatment plants of this type installed in any town in North Carolina.

Ramseur has a new fire station equipped with two trucks and manned by a very able volunteer fire department of 125 men.

**DOWNTOWN RAMSEUR, NORTH CAROLINA**

Ramseur has 24-hour police protection (3 men) along with assistance from the Randolph County Sheriff's Department and the State Highway Patrol.

There are two schools in Ramseur, one elementary and one high school. There is a consolidation high school for Eastern Randolph County. This school is located two miles outside Ramseur city limits. There are two hospitals located within ten miles of Ramseur. Churches which serve our community are Baptist, Methodist, Christian, Pilgrim Holiness, and Church of God. Civic clubs include Lions International, Junior Chamber of Commerce, Masonic Lodge, Eastern Star, V.F.W., and Merchant Association.

The industries and people of the Town of Ramseur are served by Southern Railway and several nationally known trucking firms, making possible overnight shipping to any major point in eastern United States. Our Town is also served by a direct line of Piedmont Natural Gas Company.

The Town of Ramseur is governed by a mayor and five commissioners, with staggered elections every two years.

MANUFACTURERS

## Treat Your Feet to a Feast of Colors

## Burlington Gold Cup® Socks

Don't count calories, count the colors, . . . , tempting shades to mix and mate with your leisure wear. And all knit in a creamy smooth blend of 75% hi-bulk Orlon® 25% stretch nylon for cashmere-like softness.

For up to ten times more wear, there's a reinforced toe and Hi-Heel shield™. Fed up with fussy care? Good. Because Gold Cup doesn't need any, just machine wash and dry.

Sample a pair for \$1.75 or indulge yourself with the entire deluxe assortment.

## Numerical Telephone Directory 1969

Containing a list of telephone subscribers arranged in numerical sequence. The information listed below was obtained by a house-to-house canvass and is offered for the convenience of subscribers to the City Directory. The Publishers are very careful in using these numbers but do not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.
